

In the specification:

Please replace the paragraph beginning at page 2, line 28 and ending at page 3, line 6, with the following paragraph.

The present invention includes three components. With reference to Fig. 1, a gift display box 10 includes a transparent top surface through which a display item 16 and/or card 12 and envelope 14 are visible. This gift display box may be a vinyl box that is transparent on all sides. This gift display box may be six-sided and may be rectangular. This box may include a top section and a bottom section, which are separated to open the box. The box may be closed with tape or other means. A sender could inscribe the gift card and include it in the gift box with the gift. The gift display box may include a display panel on which a small metal sculpture or other small item is mounted.
